

The Saheeh International Quran Translation

وَمَا نُرِيهِمْ مِنْ آيَةٍ إِلَّا هِيَ أَكْبَرُ مِنْ أُخْتِهَا ^طوَأَخَذْنَاهُمْ بِالْعَذَابِ لَعَلَّهُمْ يَرْجِعُونَ

And We showed them not a sign except that it was greater than its

sister, and We seized them with affliction that perhaps they might

return [to faith].
